As readers...

We will continue to develop our reading fluency through our RWI phonics programme. In our class reading sessions, we will be reading Traction Man.

'Traction Man' by Mini Grey.

We will also be reading poetry and non-fiction texts relating to our other subjects.

As Artists...

We will study textiles in art. We will be looking at the work of Judith Scott and Cecilia Vicuna. We will look at the difference between art work and craft, and materials and yarn. We will use wool and yarn to wrap some objects and then learn how to weave using paper. Finally we will have a go at creating a cardboard loom. to weave with.

PE

This term we are very lucky as Adam from Hull City Tiger's Trust will be teaching us in our PE lessons.

We will be learning lots of different skills and then learning how to apply these in our games.

We will be developing our ball skills and learning different athletic skills including running, jumping and throwing.

In History ...

We will be looking into the lives of the famous explorers Christopher Columbus and Neil Armstrong. We will find out about how and why they became explorers. We will use maps to locate where they travelled to and find out how their journeys and equipment differed.

In RE...

This term we are looking at the events that flowed from the Resurrection and the Ascension in the coming of the Holy Spirit and the work of the Apostles and the early church.

We will also learn about the Catholic Church and how it's Liturgy and structures follow on from the early Church.

We will study key scriptures including John 20, which covers the Empty Tomb and Mary Magdalene meeting Jesus. You will also explore Genesis 2-3 to understand Jesus as the "New Adam" and the Acts of the Apostles to learn about St. Stephen.

As writers we will ...

Plan our writing by rehearsing our sentences orally or sometimes using story maps. We will use basic punctuation and extend our sentences with conjunctions (and, because, so). We will try and add more detail to our writing by using adjectives and time connectives. Finally we will check for any errors and if we find any self correct them. Our writing will be based upon 'Where the Wild things are' by Maurice Sendak.

As Scientists we will be ...

Learning about what animals and humans need to survive. We will look at the different food groups and see what food we need to stay healthy. We will think about the effects of sweet and sugary food on our teeth and how we can look after them and what happens if we don't!. We will also see how important exercise is for our bodies.

As mathematicians we will...

- Learn and practise our 2,5 and 10 times tables.
- Learn how to share objects and then numbers into equal and unequal groups.
- Learn to divide numbers based on the 2,5 and 10 times table.
- Learn to add and subtract two-digit numbers by
- combining the tens and the ones.
- We will also regularly practise our fast recall of number bonds to 10 and 20.

In Computing...

We will be using the computers as a tool to explore rhythms (the patterns of sound) and melodies (the tune).

Then we shall go onto creating our own compositions.

We will also learn about keeping ourselves safe when we use the internet.

In PSHE we will learn about ...

- the relationships that we can have with the different members of our family and friends.
- identify some of the things that cause conflict with my friends.
- understand that sometimes it is good to keep a secret and sometimes it is not good to keep a secret.
- recognise and appreciate people who can help me in my family, my school and my community.
- expressing our appreciation for the people in our special relationships.
